## Description

An international best-seller, the Wave®+ has all the essential tools of the original with the addition of replaceable, durable wire cutters. All 18 tools can be opened and locked quickly, conveniently to tackle any task. Many of these tools are outside-accessible, so you can use them when the multi-tool is folded and closed.

## Features

- **Every locking feature** (except the plier head) locks into place, so you can use the tools safely and effectively.
- **This multi-accessible feature** allows tools that are accessible while the tool is in its folded or closed position.
- **One-handed operation** allows you to open and use features on this tool with one hand.
- **This standard ring** attaches the tool safely and securely to a lanyard.
