## Description

LENSOLUX Massive Height Adapter Rail is the ultimate solution for seamlessly adapting your Weaver or Picatinny mount to a 21.5 mm height while increasing your target setting by an impressive 19 mm! This robust and versatile adapter rail allows you to swiftly switch between optics, eliminating the need for time-consuming reassembly.

Designed for rapid and hassle-free transitions, the LENSOLUX Massive Height Adapter Rail is an essential tool for shooters seeking optimal flexibility. Whether you prefer a rifle scope or a reflex sight, this adapter rail ensures a stable and secure connection, keeping you prepared for any situation.

Key Features:

- **Rapid Optics Switching:** With the LENSOLUX Massive Height Adapter Rail, you can effortlessly switch between a rifle scope and a reflex sight without the need for reassembly. Our recommended quick-change assemblies (No. 19120 or No. 19121) are the perfect complement for target telescopes.
- **High-Quality Construction:** Crafted from high-strength aluminum, this adapter rail is built to withstand the rigors of heavy use while providing exceptional durability. The rail is protected against

corrosion with a matte black anodized finish, ensuring long-lasting performance.

- **Enhanced Stability:** The LENSOLUX Massive Height Adapter Rail boasts a substantial 19 mm increase in target setting, providing superior accuracy and a clear line of sight. The see-through design allows for simultaneous use of iron sights or backup optics.
- **Precision and Reliability:** This adapter rail features a length of 145 mm, allowing for secure mounting of your optics. Two sturdy knurled screws with additional screwdriver receptions guarantee a 100% firm fit, ensuring that your rail stays in place during intense shooting sessions.
- **Lightweight Design:** Despite its robust construction, the LENSOLUX Massive Height Adapter Rail weighs only 175 grams, minimizing added weight to your firearm while maintaining exceptional stability.

Experience the remarkable performance and versatility of the LENSOLUX Massive Height Adapter Rail. It combines technical sophistication with a remarkable price-to-performance ratio. Equip your firearm with this precision-engineered rail, and elevate your shooting experience to new heights.

Note: The LENSOLUX Massive Height Adapter Rail is designed for use with 21.5 mm Weaver or Picatinny mounts. Please ensure compatibility with your optics and firearm before purchasing.
