Description

LYNXGEAR Anti Riot Helmet with Mesh Visor

The **LYNXGEAR Anti Riot Helmet with Mesh** is a professional protective helmet designed for **law enforcement, military, and riot control operations**. Built to safeguard the head, face, and eyes against thrown projectiles, handheld weapons, and even hazardous chemical splashes, this helmet combines **impact resistance, flame retardancy, and visibility** in one durable design.

Developed for **anti-riot and anti-terrorism operations**, the helmet ensures maximum officer safety in violent and unpredictable environments. Its reinforced ABS shell, fog- and scratch-proof PC visor with protective mesh, and EVA foam shock absorption provide comprehensive protection against impact, penetration, and chemical hazards.

The helmet is ideal for **riot police, military forces, tactical response teams, and security personnel** who require reliable protection during protests, riot control, or special operations where blunt-force, thrown objects, or chemical threats may be encountered.

- **Head & Face Protection:** Reinforced ABS shell and 3 mm PC visor with stainless steel mesh shield against impact, projectiles, and chemical splashes.
- **Visibility & Safety:** Scratch- and fog-proof visor with >90% optical clarity ensures reliable field vision.
- **Comfort:** EVA foam shock absorption interior provides a secure fit for extended wear.

ORDER CONFIRMATION

- **Quick Deployment:** Quick-release chin strap allows fast removal in emergencies.
- **Full Coverage:** Includes foldable neck protector with snap fasteners and waterproof sealing strip for liquid resistance.

Specifications

Helmet Shell	Reinforced ABS, anti-flaming, high impact resistance
Visor	3.0 mm PC with stainless steel mesh, scratch-proof, fog-proof, >90% optical clarity, adjustable in 3 positions
Interior	Shock-absorbing EVA foam, secure fit for optimal energy absorption
Neck Protector	Foldable, protects nape, secured with snap fasteners
Chin Strap	Quick-release, one-handed operation
Waterproofing	Sealed waterproof strip prevents liquid and chemical penetration
Sizing	One size for head circumference 56-62 cm
Weight	Approx. 1.7 kg

Performance Standards

- **Tested to GA 294-2001 Anti Riot Helmet standard**
- **Anti-impact:** Visor withstands 4.9 J kinetic energy impact.
- **Impact Strength:** Withstands 1 g plumb impact at 150 m/s.
- **Collision Energy Absorption:** Helmet withstands 49 J impact.
- **Anti-stab Performance:** Helmet resists 88.2 J puncture energy.

Certifications

Certified under **CE, RoHS, FCC, ISO 9001:2008**, ensuring compliance with international and domestic quality assurance and safety standards.

Glossary

- **ABS (Acrylonitrile Butadiene Styrene):** High-strength thermoplastic known for toughness and impact resistance.
- **PC (Polycarbonate):** Transparent plastic offering durability, impact protection, and optical clarity.
- **EVA Foam:** Lightweight, cushioning foam for shock absorption and comfort inside helmets.
- **GA 294-2001:** Official Chinese standard for anti-riot helmets, defining performance benchmarks for impact, puncture, and stab resistance.
- **J (Joule):** A unit of energy; higher Joule resistance means greater protective capability against impacts and stabs.
