Blade length:	16.5 cm
Blade width:	4.9 cm
Blade thickness:	1.7 mm
Total length:	31.7 cm
Weight:	Approx. 175 g
Blade material:	3-layer laminate with Aogami Super carbon steel core
Handle material:	Hinoki wood, twisted octagonal shape
Hardness:	63-65 HRC
Sharpening:	Double-sided symmetrical grind

Care Instructions

This knife is crafted from **Aogami Super high-carbon steel**, known for its superb sharpness and edge retention. However, carbon steel is not stainless and requires proper maintenance:

- **Dry immediately** after washing - never leave the blade to air-dry.
- Keep in a dry place - avoid storing in damp environments or near water sources.
- Use **camellia oil** or food-safe oils for long-term storage to protect from rust.
- Avoid contact with acidic foods like onions or citrus for extended periods - they accelerate patina and corrosion.
- Clean using non-abrasive sponges and soft kitchen surface cleaners (e.g. CIF cream) to remove stains.

ORDER CONFIRMATION

- **Do not put in dishwasher.** Heat, chemicals, and moisture will damage both blade and handle.

About Aogami Super Steel

Aogami Super is the hardest and most advanced version of the Blue Paper steel family. It contains vanadium, which improves hardenability and wear resistance. Despite its high performance, it is more brittle under lateral stress and requires skilled handling.

Steel Composition:

- Carbon: 1.40 - 1.50%
- Chromium: 0.3 - 0.5%
- Tungsten: 2 - 2.5%
- Vanadium: 0.3 - 0.5%
- Manganese: 0.2 - 0.3%
- Silicon: 0.1 - 0.2%
- Phosphorus: 0.025%
- Sulfur: 0.004%

Warranty

24-month warranty from date of purchase. Covers hidden manufacturing or material defects under the following conditions:

- The knife is used as intended and properly maintained.
- It is stored and cared for under conditions recommended by the manufacturer.

Damage from misuse or poor maintenance is not covered.

Manufacturer

Marusho Industry Inc.

2777-1 Shobuzawa, Seki, Gifu 501-3936, Japan
