Description

Mil-Tec Laundry Bag - White Mesh, 50 × 75 cm

The **Mil-Tec White German Laundry Bag** (art. 13870007) is a heavy-duty mesh sack for storing and machine-washing clothing or gear. Made from tough 200 g/m² polyester, it allows water and detergent to circulate freely while keeping items together—perfect for barracks, field camps or household use.

Key Features

- **Durable polyester mesh** - tear-resistant and quick-drying.
- **50 × 75 cm capacity** - holds a full change of uniforms, towels or sports kit.
- **Reinforced perimeter tape** - 1 cm white edging protects seams and provides a writable surface for name or unit marking (use permanent marker).
- **Colour:** bright white - easy to identify, can be bleached if required.
- Suitable for *washing-machine* cycles up to 60 °C / 140 °F; also handy as a general purpose gear organiser.
