Description

Mil-Tec® U.S. Cotton Double-Strap Duffle Bag

75 L • Heavy-Duty Canvas • Olive Drab

Classic G.I. style meets modern carrying comfort. Sewn from **100 % thick cotton canvas**, this duffle endures airline holds, truck beds and field deployments while remaining easy to patch or re-wax. Two fully-padded, length-adjustable shoulder straps let you throw it on like a rucksack when the load gets heavy, and a sturdy side handle gives quick grab control in tight spaces.

Key Features

- **Generous 75-litre capacity** - 100 × 50 cm cylindrical main compartment swallows body-armour, boots or weeks of laundry.
- **Dual padded shoulder straps** - individually adjustable for balanced carry (unlike traditional single-strap sea bags).
- **External accessory pocket** with metal snap - keep travel docs or lockout padlocks ready.

ORDER CONFIRMATION

- **Reinforced top grab handle** for rapid haul into vehicles or overhead racks.
- **Pure cotton canvas** - hard-wearing, silent and naturally flame-resistant; easy to dye or waterproof with wax.

Technical Data

Material	100 % Cotton Canvas (approx. 450 g/m ²)
Dimensions (H × Ø)	100 cm × 50 cm
Volume	≈ 75 L
Colour	Olive Drab (OD Green)
Weight	≈ 1.4 kg (empty)

Why Canvas?

Cotton canvas is naturally quiet, highly abrasion-resistant and can be re-treated with wax or waterproofing agents for decades of service—unlike synthetics that can delaminate under UV or melt near camp-fires.
