Description

NFM EC Paint® Camouflage Spray – 400 ml

The **NFM EC Paint® (Equipment Camouflage Paint)** is a professional-grade camouflage spray developed according to **military specifications**. It is designed for effective camouflage of **weapons, equipment and gear** in operational environments.

Unlike standard commercial paints, EC Paint® is produced to meet **NIR (Near Infrared) requirements**, reducing visibility under night vision devices and residual light amplification systems.

Key Features

ORDER CONFIRMATION

- **NIR compliant** - reduced visibility under night vision
- **Matte finish** - minimises reflections in daylight
- **Developed for military use**
- **Suitable for weapons and equipment**
- **Easy to apply and removable from many surfaces**
- **Complies with EU environmental regulations**

Performance and Application

EC Paint® is designed for real operational use where both **visual and infrared camouflage** are critical. The matte surface reduces glare, while the NIR properties help limit detection in low-light conditions. It can be applied to a wide range of surfaces including **weapons, tools, textiles, accessories and vehicles**.

The paint can be removed from many surfaces when required. For more thorough removal, a dedicated **NFM paint remover** is available separately.

Available Colours

- RAL 9021 Black - NSN: 8010-25-152-220
- RAL 6031 Green - NSN: 8010-25-152-2203
- RAL 8027 Brown - NSN: 8010-25-152-2205
- RAL 6014 Olive - NSN: 8010-25-152-2204
- RAL 1001 Sand - NSN: 8010-25-152-2202
- RAL 9010 White - NSN: 8010-25-152-2200
- RAL 7006 Coyote
- RAL 7038 Grey

Specifications

Type	Camouflage spray paint
Volume	400 ml
Finish	Matte, anti-reflective
Compliance	NIR (Near Infrared)

Important Notes

- Use only as intended for camouflage applications
- Test on small area before applying to sensitive materials
- Use caution when removing paint from plastic surfaces

FAQ

What makes this paint different from regular spray paint? It provides reduced visibility under night vision devices.

Can it be used on firearms? Yes, it is designed for weapons and tactical equipment.

Is the paint permanent? It is removable from many surfaces, and a dedicated remover is available.

Does it reflect light? No, it reduces reflections in daylight.
