Description

Stilcrin 3-Piece Cleaning Rod for Long Guns, 7 mm Diameter, 740 mm Wiping Length

This **Stilcrin Cleaning Rod** is designed for long guns, providing a reliable and scratch-resistant cleaning solution for rifle barrels. Featuring a red plastic coating, the rod protects the barrel from any scratches or damage during cleaning. The 3-piece construction allows for easy assembly and storage, with a pure wiping length of 740 mm and a total length of 830 mm.

Product Features

- **Plastic-Coated Protection:** The red PVC coating prevents barrel scratches and other injuries, keeping your firearm in excellent condition.
- **Compatible Thread:** M5 internal thread, ideal for attaching brushes with an M5 external thread, ensuring secure attachment and compatibility with common cleaning tools.
- **Versatile Design:** Suitable for rifles from caliber .30 / 7.62 mm and shotguns, with extensions that allow use for longer firearms or even handguns.
- **Expandable Length:** The rod can be extended further with additional extensions for longer barrels, offering added versatility.
