Description

Origin Outdoors Emergency Candle

Origin Outdoors Emergency Candle is a compact and reliable light source designed for emergencies, outdoor adventures, and extended hikes. Thanks to its long burn time and three-wick design, it provides flexible and efficient lighting when you need it most.

Reliable Light in Emergency Situations

This emergency candle is built for situations where dependable light and warmth are essential. The robust metal transport tin protects the candle during transport, making it ideal for backpacks, emergency kits, or vehicle storage.

Flexible Three-Wick Design

Equipped with three wicks, the candle allows you to adapt the burn rate to your needs. Light one wick for extended burn time, two for balanced light, or all three for maximum brightness and heat output.

Natural Soy Wax with Pleasant Fragrance

Made from **100% soy wax**, the candle burns cleanly and evenly. It also emits a subtle, pleasant fragrance, making it suitable not only for emergencies but also for longer outdoor stays and camps.
