Description

Origin Outdoors Stainless Steel Cooking Set Snap-Pack

The **Origin Outdoors Stainless Steel Cooking Set Snap-Pack** is a compact, robust, and thoughtfully designed cookware solution for outdoor use. Made from high-quality stainless steel 304, this practical set includes a pot, pan, and deep plate that stack neatly together for efficient, space-saving transport. Folding handles and an integrated snap-lock system ensure safe storage and easy handling on the move.

Aim of the Product

This cooking set is designed to provide a durable, lightweight, and compact cooking solution for camping, trekking, bushcraft, and travel. Its stackable design and snap-lock mechanism make it ideal for users who value efficiency, reliability, and minimal pack volume.

Audience

- Campers and backpackers
- Outdoor and trekking enthusiasts
- Bushcraft and survival practitioners

ORDER CONFIRMATION

- Motorcycle and van travelers
- Minimalist outdoor cooks

Key Features

- Complete 3-piece cooking set: pot, pan, and deep plate
- Made from durable stainless steel 304
- Folding handles for compact storage
- Snap-lock system for secure transport
- Pan and plate stack inside the pot to save space
- Robust construction suitable for outdoor cooking

Why It Matters

When packing space is limited, every item must earn its place. This Snap-Pack cooking set combines durability, smart engineering, and compact storage, allowing you to cook full meals outdoors without bulky cookware.

- 1 × Stainless steel deep plate

Care & Maintenance

- Clean after use with warm water and mild detergent
- Dry thoroughly before packing to prevent water spots
- Suitable for repeated outdoor use

FAQ

- **Does the set stay together during transport?**
Yes, the snap-lock system secures the pan and plate inside the pot.
- **Are the handles heat-resistant?**
The folding metal handles are designed for stability but may heat up during cooking—use caution.
- **Is this suitable for backpacking?**
