Description

This eight-part universal set offers the huntsman everything he needs to work "from the hunting ground to the fridge". For breaking open, skinning, ringing, preparing or chopping up and portioning. With the spreader, the chamber can be opened without damaging the game. The blades are made of 420 steel. The handles have a non-slip antler structure and are comfortable and safe to hold. The eye-catching coloring ensures that the content can be found quickly at a glance. The whole set is compact and clearly arranged in a handy case and contains skinner, boning knife, caper, saw, 2 spreaders, knife sharpener and protective gloves.
