perform reliably in harsh environments.

Safety Information

This knife is a sharp cutting tool intended for responsible use. Improper handling may result in injury.

- Always store and transport the knife in its sheath
- Do not use as a pry tool or for striking hard materials
- Keep out of reach of children
- Maintain a firm grip during use

Risk Awareness

- **Cut risk:** Sharp blade may cause injury if used carelessly
- **Grip risk:** Handle may become slippery in wet conditions
- **Breakage risk:** Improper use may damage the blade
- **Carry risk:** Carrying without sheath increases injury risk

Maintenance Note

As this knife uses **uncoated carbon steel**, it requires regular care. Clean and dry the blade after use and apply a light layer of oil to prevent corrosion.

Glossary

- **Puukko:** traditional Finnish utility knife designed for practical use
- **80CrV2:** durable carbon steel known for toughness and easy sharpening
- **Saber grind:** grind that provides strength and versatility for general tasks
- **EasyLock:** sheath system ensuring secure retention and fast access
