Description

Plastica Panaro MAX001 Waterproof Case

The **MAX001 Waterproof Case** by Panaro is engineered to provide top-tier protection for valuable equipment in extreme conditions. Certified to meet **IP67** standards, this case resists water, dust, and impacts, making it ideal for anyone seeking reliable, weatherproof containment – from outdoor adventurers to industrial professionals.

Key Features

- **Watertight Seal:** Ensures full waterproof protection around the lid.
- **Automatic Pressure Release Valve:** Allows for easy equalization of interior pressure, preventing vacuum-lock.
- **Double Throw Latches:** Easy-to-open latches designed for quick, secure access.
- **Soft-Grip Handle:** Comfortable, load-tested handle for convenient transport.
- **Padlock & Shoulder Strap Holes:** Further secure the case or attach a shoulder strap for hands-free carrying.
- **Stackable Interlocking System:** Seamlessly stacks with other MAX cases for organized storage.
- **Robust Build:** Features thick body material, full-length hinges, and corrosion-free nylon pins.
- **Interior Foam (Optional):** Cubed foam in bottom and convoluted foam in
