Description

Plastica Panaro MAX1090H280GUN - Certified Waterproof Rifle Case

The **Plastica Panaro MAX1090H280GUN** is a **certified waterproof rifle case** built to military standards for maximum protection of firearms and tactical gear. With **IP67, STANAG 4280, DEF STAN 81-41, and MIL-STD-810 certifications**, this case ensures complete protection from water, dust, and impacts, even in the harshest conditions. Its reinforced design, removable lid, and foam inlay for up to **7 rifles and 28 magazines** make it a reliable choice for professional, military, and law enforcement use.

Key Features

- Holds up to **7 rifles** (AR15, LWMG, LWMMG families) and **28 magazines**, with accessories and optics mounted.
- Available in removable-lid (R) or hinged configurations (H).
- Removable lid with **12 standard latches** or **12 butterfly steel latches** for heavy-duty sealing.
- **Lid-side handles** for easy lifting and removal after unlatching.
- Double wheels and a **fold-down transport handle** for effortless rolling.
- **Bottom-side handles** for two-person carrying.
- **High-density foam inlay** with a **lockable aluminium crossbar** for secure weapon retention.

ORDER CONFIRMATION

- **Watertight O-ring seal** around the lid ensures IP67 waterproofing.
- **Automatic pressure release valve** maintains equilibrium during altitude and temperature changes.
- **Soft-grip handle** tested for heavy loads and comfortable use.
- **Corrosion-resistant hinges** with 30% fiberglass-filled nylon pins.
- Stackable construction for space-efficient transport and storage.
- 100% **Made in Italy**.

Applications

The **MAX1090H280GUN** case is ideal for military and law enforcement use, shooting ranges, weapon transport, and tactical operations. It also meets standards required for air and land logistics under **ATA300 Cat. 1**, ensuring reliability for professional deployment worldwide.

Technical Specifications

Model	MAX1090H280GUN R or H
Certifications	IP67, STANAG 4280, DEF STAN 81-41, MIL-STD-810, ATA300 Cat.1, UN4H2 (Li-ion battery transport)
External Dimensions	1178 × 780 × 330 mm (46.38 × 30.70 × 13 in)
Internal Dimensions	1090 × 680 × 280 mm (42.91 × 26.77 × 11.02 in)
Cover Depth / Bottom	70 + 210 mm (2.75 + 8.26 in)
Weight	21.4 kg
Capacity	215 litres
Materials	Polypropylene (body), Nylon (latches), Polymer (O-ring), Stainless Steel (wheel pins), Polyurethane (foam), Aluminium (crossbar)
Colour	Black
Origin	Made in Italy

Certified Durability

The **MAX1090H280GUN-R** has been tested and certified to international and military standards:

- **IP67:** Dustproof and waterproof up to 1 metre for 30 minutes.
- **STANAG 4280 / DEF STAN 81-41:** NATO and UK military transport standards.
- **MIL-STD-810:** U.S. military testing for shock, vibration, and environmental resistance.

Why Choose MAX1090H280GUN-R

For professionals who demand absolute protection, the **MAX1090H280GUN-R Waterproof Rifle Case** represents the highest level of precision engineering. Its **removable lid system**, reinforced structure, and **custom foam for rifles** provide exceptional durability and security during transport. Backed by **Plastica Panaro's 60-year legacy** of Italian manufacturing excellence, this case is trusted by defense forces, security services, and demanding users worldwide.

Glossary

- **O-Ring Seal:** Ensures complete waterproofing and airtight protection.
- **Pressure Valve:** Automatically equalizes air pressure inside the case when changing altitudes or environments.
- **Polypropylene Copolymer:** Lightweight, impact-resistant, and corrosion-proof material ideal for tactical applications.
- **High-Density Foam:** Protects rifles and accessories from shocks and vibrations during transport.
