Description

Plastica Panaro MAX1100H330 Waterproof Case

The **Plastica Panaro MAX1100H330 Waterproof Case** offers 130 liters of rugged storage capacity for demanding applications, ensuring your equipment remains secure, dry, and protected in the harshest conditions. Certified to **IP67, STANAG 4280, DEF STAN 81-41, and MIL-STD 810** delivers full resistance against water, dust, and impacts. Designed for *military use, industrial transport, medical and scientific gear, photography, diving, and outdoor expeditions*, this case is engineered for professionals who cannot compromise on safety.

Lightweight yet highly durable, the MAX1100H330 comes standard with **cubed and convoluted foam** for precise interior protection, plus features like *padlock-ready points, shoulder strap compatibility, and a stackable interlocking system*.

Key Features

- Watertight seal around the lid
- Automatic pressure release valve
- Double-throw latches for secure closure
- Soft-grip handle, load-tested for heavy use
- Padlock holes and shoulder strap compatibility
- Stackable interlocking system
- Extra fixing points and reinforced body walls
