An acid & ammonia-free barrel cleaner with a 4-beam probe

# 1-4 Weeks

## Description

An acid & ammonia-free barrel cleaner with a 4-beam probe

### User manual:

Bore-Cleaner comprises of several high quality cleaning agents and complexes, especially developed to clean barrels. Bore-Cleaner penetrates and removes dirt such as: Tombac, copper, zinc, gunpowder residue, lead and oil. Acid & ammonia-free.

### Processing:

Can be used on both long and short weapons. Enter the 4-beam probe into the barrel. Spray evenly and pull the probe out of the barrel at a constant speed. If the barrel has not been fully sprayed with Bore-Cleaner, enter the 4-beam probe on the other side of the barrel and repeat the process. Leave the Bore-Cleaner to soak for 6.5 minutes. Afterwards, clean the
