Cleans thoroughly, streak-free  
and dries quickly.

# 1-4 Weeks

## Description

Cleans thoroughly, streak-free and dries quickly.

Leaves light film behind causing the water to pearl off.

Optic Cleaner is a high quality foam cleaner that sticks well to the surface. It cleans without streaks, it is not aggressive for plastics and bondings and it dries quickly.

### Processing:

Optic Cleaner removes road dirt, grease, fingerprints, nicotine, insect residues from glass and plastic surfaces. Optic Cleaner cleans streak-free and effective. Due to the high foam stability, the product can penetrate longer for stubborn dirt. Can be used on glass, plastic, ceramic and metal surfaces. Extremely suitable for telescopic sights and binoculars.

### User manual:

Spray the foam onto the dirty surface. Leave the foam to soak briefly and clean the surface with a dry cloth. In case of stubborn dirt, leave the product to soak for a longer period of time or repeat the treatment.

### Safety precautions:

The visor cleaner can is pressurised. Store in a dark place and do not
