Caring for Buffalo Leather

- Brush off dust, then wipe with a damp (not wet) cloth.
- Condition every 6-12 months with a neutral leather balm to keep fibres supple.
- Patina explained: **Patina** is the gradual darkening & shine that forms as natural oils from your hands penetrate the leather - a desirable sign of quality.

Manufacturer Info

www.lynxgear.lv is a Latvian company, established in 2012. We are a small, family-owned business, focused on producing high-quality leather goods. Our products are made from the finest buffalo leather, sourced from the USA. We are proud to offer a wide range of wallets, bags, and accessories, all designed and manufactured in Latvia. We are committed to providing excellent customer service and ensuring that our products meet the highest standards of quality and durability. We are also committed to ethical and sustainable production practices. We are a member of the Latvian Leather Association and the European Leather Association. We are proud to be a part of the Latvian leather industry and to represent it on a global scale. We are looking forward to continuing our growth and success in the future.
