Description

Towards the sun!

The innovative **Sonora** from SCIPPIS combines the classic, beautiful hat shape with comfortable and light sun protection. The large ventilation eyelets of the traveler ensure optimal air circulation - while the brim protects the face, neck and shoulders from strong sunlight.

The Sonora is equipped with a practical headband, which increases comfort and ensures that the hat sits securely. The canvas used - the legendary, coarse cotton - makes the hat light and crushable. This means it can be easily taken anywhere - whether in a bag or backpack.

- Size: S/M, L/XL
- Material composition: 100% cotton
