Description

Sluban US Medical Army Helicopter – Construction Set (M38-B1012)

The Sluban US Medical Army Helicopter is a detailed and engaging construction set designed for young builders and military-themed toy enthusiasts. Featuring rescue and medical elements, this kit helps children recreate realistic emergency scenarios while developing creativity and fine motor skills. As with all Sluban sets, the bricks are fully compatible with other major construction brands.

Aim of the Product

This set aims to provide an immersive building experience, teach problem-solving, and inspire imaginative play. With its medical rescue theme, it encourages role-play centered on teamwork, emergency care, and mission-focused operation.

Audience

- Children aged 8 and above
- Fans of military and rescue-themed construction toys
- Collectors of brick-based models
- Parents seeking creative and educational toys
- Builders who use compatible brick systems
