a price you'll love! This watch features precision quartz Japanese movement and includes 3 hands to show the hours, minutes and seconds, date display, and a scratch resistant hardened mineral glass crystal that protects the dial. The tough stainless steel case makes this watch shock resistant and the metal rotating bezel helps to track elapsed time. This timepiece is water resistant up to 30-meters (90-feet) and ideal for anyone looking for adventure, sport or any daily rugged outdoor activity. The watch is 45-mm wide and weighs only 3.6 oz. Smith & Wesson Men's SWW-5982 Commando Basic Round Black Face Watch comes with a 1-year limited warranty. Smith & Wesson is one of the world's most recognizable brands and for good reason. Since they first opened their doors they have focused on designing and manufacturing innovative solutions that are unparalleled in the field of personal safety and protection. Almost every major law enforcement and military agency in the world has used Smith & Wesson products and to this day most police departments in the United States depend on their firearms and accessories. Smith & Wesson has been a partner to law enforcement since the late 1800s, developing crime-fighting tools that set the standard for the field and those products have enhanced public safety, security and protection all over the world.
