### Description

#### Snigel Plastic Bag (Ziplock)

The **Snigel Plastic Bag with Ziplock** is a durable storage pouch designed to protect essential items from moisture, dirt and dust. Made from **extra-thick plastic material**, the bag is approximately **four times thicker than standard plastic bags**, providing improved durability and protection in demanding environments.

Its compact size makes it ideal for storing items such as notebooks, wallets, mobile phones, maps, toilet paper or other small gear. The secure ziplock closure keeps contents protected while allowing quick access when needed.

This simple but practical pouch is well suited for outdoor activities, field use, travel or everyday organisation of small items.

#### Key Features

- **Heavy-duty plastic construction** approximately four times thicker than standard bags
- **Ziplock closure** for secure and reliable sealing
- **Compact and lightweight design**
- **Protects gear from moisture, dirt and dust**
- **Suitable for outdoor, travel and field use**
