### Description

An administrative case which protects your documents and maps against water and dirt.

- This administrative case is the result of 10 years of development and different generations of the cases.
- The administrative case has one big pocket for reserve forms etc. On the outside of the case you will find a window pocket for maps, on the other side you have pocket for pens, a rubber and on the short side you have a pocket for a short ruler.
- The inside has a removable mechanism for A5 papers. It has two window pockets for yellow stickers etc.
- Loops of elastic cords are attached on the outside to secure pens and the compass.
- A protective pocket on the top of the case can hold a light stick so you can read your documents without giving away your position.
- A zips goes around the case and as backup it has two elastic bands which can be used instead of the zip.
- The case has two elastic cords which you can tie your pens in.

Fits in:
