Description

The **Snugpak Softie® 12 WGTE** is widely regarded as the ultimate four-season synthetic sleeping bag. Since its launch in 1987, it has set the standard for winter sleeping bag performance. Featuring Softie Premier insulation, this bag provides excellent warmth and comfort, even in harsh conditions. The mummy-style design and snug-fit hood ensure a cozy sleep, whether you're camping in the Scottish Highlands or sheltering in a snow hole.

Key Features

- No stitch-through construction to reduce cold spots.
- Exclusive Softie® Premier insulation for maximum heat retention.
- Insulated shoulder baffle to help retain warmth.
- Elasticated, drawcord-adjustable hood for a snug fit.
- Two-way YKK® side zips with insulated baffle to prevent heat loss.
- Anti-snag zipper webbing tape for hassle-free use.
- Compression stuff sack included for compact storage.
- Hanging tabs for easy airing and drying.
- Internally reinforced foot area available in Black, Olive, Coyote Tan, and Desert Tan.
- Can be paired with another bag (left and right side zips) to create a double sleeping bag.

- **Outer Fabric:** Paratex Steelplate, 100% Nylon

Temperature Ratings

Snugpak temperature ratings are based on over 40 years of experience and customer feedback. The comfort value assumes use in a tent on a high-quality sleeping mat while lightly clothed. The low temperature rating indicates minimal discomfort for most users.
