Description

StormCare Down Proofer (Wash In), 225 ml

The **StormCare Down Proofer** is an **eco-friendly wash-in treatment** that restores the **durable water repellency (DWR)** of down-filled garments and equipment. Over time, the protective DWR finish of down outer fabrics wears off, leaving garments vulnerable to moisture. Wet down loses loft, warmth, and breathability – making reproofing essential.

This patented, abrasion-resistant proofer is **PFC, PFAS, and PFOA free**, designed to be used in the **same wash cycle with Storm Down Wash**, saving both water and energy. Perfect for down jackets, sleeping bags, gloves, and quilts, it restores performance and extends the life of your gear.

Aim of the Product

To **restore water repellency** and protect down insulation from moisture, ensuring garments remain warm, breathable, and long-lasting in demanding conditions.

Audience

- Outdoor professionals and adventurers using down-filled jackets or sleeping bags

ORDER CONFIRMATION

- Hikers, climbers, and campers exposed to wet or snowy conditions
- Travelers and everyday users wanting to maintain high-quality down gear
- Eco-conscious users seeking a **PFC-free waterproofing solution**

Product Use

Shake well before use. Pour **75 ml into the conditioner compartment** of your washing machine. For optimal results, add Storm Down Wash into the detergent compartment in the same cycle. Use a **30°C synthetic or delicate cycle**.

Drying: Allow the garment to drip dry for 20 minutes, then tumble dry on a low heat setting. Pause periodically to plump the garment and evenly distribute the down. For maximum loft, use *Storm Down Balls* during drying.

Caution: Keep out of reach of children. Avoid contact with eyes and skin. Wash hands after handling.

Specifications

- **Volume:** 225 ml (approx. 3 washes)
- **Formula:** Eco-friendly, PFC/PFAS/PFOA free
- **Properties:** Restores DWR, abrasion resistant, heat activated
- **Suitable for:** Down jackets, trousers, gloves, boots, sleeping bags, quilts
- **Activation:** Requires tumble drying for best results

Key Benefits

- **Restores durable water repellency** to down-filled gear
- **Protects loft & insulation performance** from moisture damage
- **Abrasion-resistant finish** prolongs garment life
- **Eco-friendly formulation** - PFC, PFAS, and PFOA free
- **Works in one cycle** when combined with Storm Down Wash
