Description

Suunto Clipper Micro Compass

Compact and Attachable Navigation Aid

The **Suunto Clipper Micro Compass** is a compact and lightweight navigation tool designed for outdoor enthusiasts, hikers, divers, and military personnel. This attachable compass clips onto your watch strap, sleeve, backpack strap, or the edge of a map, ensuring hands-free and easy direction-taking at all times. Equipped with luminescent markings, it remains visible even in low-light conditions.

Product Highlights:

- **Hands-free operation** - Easily clips onto gear.
- Fastens to watch strap, sleeve, backpack, or map edge.
- Liquid-filled jewel bearing compass for smooth and accurate movement.
- Balanced for the **Northern Hemisphere**.
- Cardinal directions in **luminous print** for visibility in low-light conditions.
- Rotating bezel with **10-degree increments** for precise direction setting.
- Water-resistant - insensitive to water pressure, making it suitable for **underwater navigation**.
- No battery required - always reliable.
- Manufactured in Finland with a **Suunto limited lifetime warranty**.
- NSN (NATO Stock Number): **6605-58-000-1592**.
