Description

SwissEye Maverick Tactical Protective Glasses

SwissEye Maverick Tactical Protective Glasses deliver lightweight performance, ballistic-grade protection, and all-day comfort for tactical, shooting, and outdoor use. Built from high-strength polycarbonate with **antifog** and **antiscratch** coatings, Maverick ensures clear vision and durability even in demanding environments. Each pair includes **spare clear lenses**, making them versatile for various light conditions.

Key Features

- High-impact **polycarbonate lenses** with antifog and antiscratch coatings
- **100% UVA/UVB/UVC protection** (up to 400 nm)
- Includes **spare clear lenses** for flexible mission profiles

FAQ

- **Are the Maverick glasses ballistic rated?**
Yes. They meet **STANAG 2920/4296** requirements for ballistic impact protection.
- **Can the lenses be swapped quickly?**
Yes, the frame allows fast lens changes between Smoke and Clear.
- **Do they fog up during intense activity?**
No, the antifog coating significantly reduces fogging in most conditions.
- **Are they suitable for shooting ranges?**
