3. **Adjust Height:** Loosen the lever, slide the pad up or down, and re-tighten to lock in place.
4. **Set Length of Pull:** Add or remove spacer rollers (10 or 20 mm) to achieve the desired distance from the stock.

Note: For best results, use only original accessories and recommended recoil pads. Using non-genuine parts may affect performance or damage the product.

Why Choose Tactical-Evo?

Tactical-Evo is a world leader in creating shooting and hunting accessories. Leveraging advanced engineering and rigorous testing, every product is crafted to withstand demanding conditions. This adjustable recoil pad mechanism exemplifies Tactical-Evo's dedication to innovative design, high-quality materials, and unparalleled performance.
