ORDER CONFIRMATION

- Use only inside closed shoes
- Do not place directly on skin

FAQ

How long do the toe warmers stay warm? For up to 8 hours, depending on ambient temperature and airflow.

Can the toe warmers be reused? Single-use heat pads.

Can they be used in open shoes? Used in closed shoes to ensure safe and effective heat generation.

Are the toe warmers safe for children? under 6 years of age.

Glossary

- **Oxygen-activated:** Heat is generated when the contents react with oxygen from the air
- **Disposable heat pad:** Single-use warming product designed for temporary heat
- **Self-adhesive:** Integrated adhesive layer for secure placement

Safety Information

- Avoid direct skin contact
- Use only inside closed shoes
- Not suitable for children under 6 years of age
- Keep out of reach of small children
- Do not damage or pierce the heat pack
- Avoid contact of contents with eyes, mouth or mucous membranes
- Do not use if hypersensitive to heat
