## Advantages of Traser Watches

- **Swiss Made:** Produced by mb-microtec ag, creators of the original tritium illumination technology.
- **Durability:** Built for combat, diving, and field conditions – dependable in all environments.
- **Always visible:** Trigalight® illumination glows continuously without recharging or battery power.
- **Field-tested design:** Combines military functionality with clean Swiss craftsmanship.

## Glossary

- **Trigalight®:** Self-luminous tritium gas illumination system glowing for over 10 years without external energy.
- **PVD Coating:** Physical vapor deposition – a durable, corrosion-resistant metal finish.
- **Quartz Movement:** Timekeeping powered by a quartz crystal oscillator for precision.
- **NATO Strap:** Military-inspired fabric strap designed for strength and quick replacement.
- **Sapphire Crystal:** Extremely hard synthetic glass offering high scratch resistance.
