Trigalight®

Advantages of Traser Watches

- **Swiss Made:** Assembled in Switzerland by mb-microtec ag, specialists in tritium illumination technology.
- **Durability:** Designed for military, tactical, and outdoor operations under extreme conditions.
- **No charging required:** Permanent night visibility with no maintenance for a decade.
- **Reliable mechanics:** Ronda quartz mechanism tested for precision and longevity.
- **Simple, robust, analog design:** No digital systems – just pure functionality.

Glossary

- **Trigalight®:** Self-powered illumination technology using tritium gas, glowing 24/7 for up to 10 years without light exposure.
- **Quartz movement:** Timekeeping powered by a quartz crystal oscillator for exceptional accuracy.
- **Sapphire glass:** Ultra-hard synthetic sapphire providing superior scratch resistance.
- **Bezel:** Rotating ring used for time-tracking in diving or tactical operations.
- **Resin case:** Lightweight, shock-resistant composite for durability and comfort.
