Description

Ulticlip Multi Purpose Carrier

The **Ulticlip Multi Purpose Carrier** is a compact and versatile carrying system based on the patented UltiLink platform. With its serrated closure, this carrier offers a quick and secure attachment option with up to 12 different angles, allowing horizontal, vertical, and diagonal carrying positions. Ideal for carrying items like tourniquets, trauma shears, knives, or other gear, the MP Carrier provides rapid access while keeping your items securely in place.

Key Features:

- **Multi-Angle Attachment:** The composite and stainless steel lock allows for 12 different attachment angles, enabling horizontal, vertical, and diagonal carry positions.
- **Quick and Secure Storage:** Items like tourniquets, trauma shears, and knives can be quickly stored and removed for rapid deployment in critical situations.
- **Versatile Design:** Trauma shears can be removed and reinserted without needing to remove the tourniquet, ensuring seamless access to all your tools.
