Description

Vipole® Approach Long Carbon DLX – Pop-Up Folding Trekking Poles (Pair)

Full-carbon stiffness in a bottle-pocket pack size. The **Approach Long Carbon DLX** folds to just 34 cm, deploys in seconds via the **Pop-Up Z-fold + Quick-Lock** system, and fine-tunes from 110 cm to 130 cm – ideal for everything from airport concourse to alpine ridge.

Why you'll love them

- **100 % carbon thin-shaft** (Ø 12/14/16 mm) – ultralight, low vibration.
- **Pop-Up auto-lock** – snap sections together, pull until it clicks.
- **Quick-Lock lever** – 20 cm micro-adjust in gloves.
- **Mid-size RoundHead EVA grip** + *Automatic Plume* strap.
- **Carbide trail tip**, 32 mm trekking basket & round rubber road pad.
- **Deluxe zip bag** – poles + basket + pad stow cleanly.
- Made & tested in Italy – recyclable materials, guide-approved safety.

Pop-Up + Quick-Lock – the best of both worlds

Pop-Up gives you Z-fold compactness: snap the lower sections together, pull until the hidden pin auto-locks – pole is rigid. **Quick-Lock** then adds telescopic versatility: flip the lever, dial the printed scale, close – perfect pole length every climb, every descent.

About Vipole

From a workshop beneath Monte Grappa, Vipole fuses three decades of biomechanical know-how with clean Italian design. Every pole uses recyclable alloys or fibres and proprietary safety solutions – field-tested by mountain guides before launch.
