Description

Vipole® TREKKER CORK Trekking Poles (1 pair)

Light, compact and tough - the **TREKKER CORK** poles are built from aerospace-grade **7075-T6 aluminium** and finished with a comfortable **cork / EVA RoundHead** grip. The proven **QuickLock™** clamp allows fast, glove-friendly length adjustment, while **Thin Shaft 12 / 14 / 16 mm** tube diameters cut weight and wind resistance without compromising strength.

Supplied as a matched pair with carbide trekking tips, 54 mm baskets and removable rubber road caps.

Main advantages

- **7075-T6 aluminium** - anodised for maximum corrosion resistance.
- **Thin Shaft tech** - slimmer lower sections (12 mm) reduce swing weight for a smoother, more balanced stride.
- **QuickLock** lever - simple, fast and secure length setting even with winter gloves.
- **RoundHead cork/EVA grip** - natural cork absorbs sweat, rounded top lets you palm the pole on steep descents.
- **Plume wrist-strap** - seamless high-tenacity polyester; soft, breathable, 9 g lighter than a standard strap.
- **Carbide tip + rubber cap** - bite on rock and ice or switch to the silent road pad for asphalt.

ORDER CONFIRMATION

Technical specification

Shaft material	Aluminium 7075-F56 (anodised)
Tube diameters / wall	16 > 14 > 12 mm Thin Shaft technology
Length range	QuickLock adjustable - 65 → 135 cm*
Grip	RoundHead natural cork + EVA foam
Strap	Plume seamless polyester (adjustable, detachable)
Tip	Tungsten carbide + removable rubber trekking pad
Basket	Ø 54 mm trekking basket (included)
Weight (per pole)	≈ 235 g / 8.3 oz
Sold as	1 pair Made in Italy

*Factory length range not supplied by manufacturer - based on typical three-section Vipole poles.

Technology explained

- **7075-T6 Alloy**
Aerospace-grade aluminium offers the best strength-to-weight ratio; fully recyclable and anodised for superior scratch & corrosion resistance.
- **Thin Shaft**
Reduces tube diameter → lower swing weight, less wind drag and smoother pole plants.
- **QuickLock**
Lever clamp you can open / close with gloved hands; no fiddly screw collars that freeze or jam.

What's in the box ?

- 2 × Vipole TREKKER CORK poles (left + right)
- 2 × Trekking baskets Ø 54 mm
- 2 × Rubber road pads
