Description

The OCYS splits up into a sharp knife, a fork with good grip and an extendable spoon. It stacks as a unit for easy packing and storage in your pack. The OCYS fits neatly in the original WILDO Camp-A-Box Basic and Light.

Extend

The spoon can be extended to a length of 25 cm. Hitch the knife over the first hook, then press them together until you hear a snap.

Disassemble

Bend the handle of the knife away from the spoon slightly as you press forward on the large snap hook.

Renewable Resources

The Ocys is a part of our Wildo Green Line. The 70 % plant based segment is composed from castor beans, reducing fossil impact and lowering carbon dioxide emissions, resulting in a more sustainable society.
